**Benefiting
THE LEUKEMIA & LYMPHOMA
SOCIETY****

**A small percentage of the proceeds are donated to other
charitable organizations

Dear Friend,

After a 2-year hiatus, WE ARE BACK, and more motivated than ever to put on a fantastic event this year!

The Ship Bottom Sprint continues its mission of raising life-saving funds for the Leukemia and Lymphoma Society. Over the past 19 years, the Sprint has come to represent our efforts as a community in helping make a difference in the lives of those individuals affected by blood-related cancers, and their families. Race day has truly become a beacon of hope, family and friendship for so many; a day for people to gather to celebrate life and take steps towards finding a cure. None of this would be possible however, without your help. Thus, in an effort to make the 2022 Sprint another successful event, we once again request your sponsorship. The following are suggestions; any amount or type of donation is accepted, and greatly appreciated:

A \$250.00 or more donation will include:

Your business name printed on its own 36" x 24" sign, to be displayed at the race start/finish.

Your business name printed on the back of the long sleeve quality T-shirt each participant will receive (last year we printed and handed out over 650 shirts). Your business name also listed on a promotional flyer which will be distributed to each participant via their registration packet, as well as displayed on our website for one year.

A \$100.00 or more donation will include:

Your business name printed on the back of the long sleeve quality T-shirt each participant will receive (last year we printed and handed out over 650 shirts). Your business name also listed on a promotional flyer which will be distributed to each participant via their registration packet, as well as displayed on our website for one year.

A \$99.00 or less donation will include:

Your business name listed on a promotional flyer which will be distributed to each participant via their registration packet, as well as displayed on our website for one year.

Merchandise / Gift Certificate donations to be auctioned off at the after-race party. If your donation is valued at \$100 or more, your business name will be printed on the back of the long sleeve quality T-shirt each participant will receive (last year we printed and handed out 650 shirts). Your business name will also be listed on a promotional flyer which will be distributed to each participant via their registration packet, as well as displayed on our website for one year.

Food / Beverage donations to be distributed to participants (examples: bottled water, bagels, fruit, nutrition bars, etc.). Signage will be posted advertising your contribution. If donation is valued at \$100 or more, your business name will be printed on the back of the long sleeve quality T-shirt each participant will receive (last year we printed and handed out over 650 shirts). Your business name will also be listed on a promotional flyer which will be distributed to each participant via their registration packet, as well as displayed on our website for one year.

Please know that in addition to advertising your business or organization, your generosity truly means so much more. Again, the majority of money we raise goes towards helping fight blood-related cancers and assisting the Leukemia and Lymphoma Society – mainly through the Team in Training program - in its relentless efforts to find a cure. For more information, log on to www.leukemia-lymphoma.org.

In addition, a small percentage of the proceeds are donated to charitable organizations such as David’s Dream and Believe Cancer Foundation, the Maximilian Foundation, the Juvenile Diabetes Foundation, and Special Olympics (these charities vary from year to year).

To become a sponsor, simply fill out the bottom portion of this page, all checks being made payable to:
SHIP BOTTOM SPRINT, INC. (a NJ non-profit, 501(c)3 corporation, EIN 27-1191810). The mailing address is:

Ship Bottom Sprint
P.O. Box 423
Ship Bottom, NJ 08008

If you are unable to sponsor but would still like to be a part of the day's event – we would love to have you! Volunteers are always welcome, and greatly appreciated. In addition, we have plenty of room at the registration area at the boat ramp if you'd like to set up a table. We would also be more than happy to put your flyer, brochure, menu, promotional item, etc in each of our goodie bags to be distributed to all participants (we plan to fill 500 bags this year).

To sponsor or contribute in any way, we ask that you respond no later than **March 18, 2022**. If you have any questions or concerns, please feel free to call to me at (609) 709-4576. Thank you in advance for your continued support and consideration of our event and cause.

Sincerely,

Maria Pennisi

PLEASE JOIN MY FIGHT!

I lost my grandfather to Leukemia when I was just 3 years old. We will never get to fish, sail or share our love of the water. No one should have to lose a family member to cancer.

As a sophomore at Christian Brothers Academy, I am part of the next generation who must continue the work to find a cure for blood related cancers.

EVERY SINGLE PENNY
MAKES A DIFFERENCE!

Donations in any amount, and of any type are greatly appreciated.

See our website for more information:

Through the work of the Leukemia and Lymphoma Society over the past 80 years, over \$1.3 billion has been raised in the fight against blood cancer. However, the battle is far from over. I have been fundraising with my family since my grandfather's passing in 2009. This is my time to step up; to make a difference through my own initiative. My goal as Race Director in Training is to (first continue to learn the ropes from my Mom, then to) take this event to a whole new level! **I know when people come together, great things can be accomplished, so thank you for playing such a vital role in our continuing efforts!**
